COURSE DESCRIPTION

The phenomenon of violence, which has a history as much as the history of humanity, continues to affect human life deeply. Violence can be seen at any time and in society, regardless of geography, race, religion and culture. Although religions do not tolerate violence, they have not been able to distract people from violence. Some religious interpretations incite violence.

COURSE OBJECTIVES

It is important to reveal the sociological and psychological aspects of violence and to deal with its relations with religion in terms of understanding the phenomenon of violence.

ADDITIVE OF COURSE TO APPLY PROFESSIONAL EDUATION

To reveal the sociological and psychological aspects of violence and to deal with its relations with religion, to understand the phenomenon of violence. To be able to make certain contributions to the prevention of crime by understanding the positive or negative relations between crime and religion.

COURSE OUTCOMES

1. Gain knowledge about the relationship between crime and religion
2. Comprehend the theories about the religious dimensions of violence.
3. Gains knowledge about the positive or negative features of religion among the reasons that push the individual to commit crime.
